Spring 2010

Well, another East coast All Seabee Reunion is history. Many thanks to Bruce MacDougall and all his staff who put on another great reunion. And again the 121 mini reunion had the most members attending with 32 present. We had a meeting, and elected a new President, Billy Millican and Secretary-Treasurer, Tripp Hines. Many thanks to our out going officers Gerry Decker, and Mike Wilson who have done an outstanding job for many years, thanks again. We have to have our meetings at the Hampton reunion because that is where we get the most members present. Reunions are fun for everyone, you all should try to attend one now and then. Mark your calendars. I have some new dates for you. The MCB 121 reunion will piggy back off the Gulf Coast All Seabee Reunion in Gulfport, MS 12-15 October 2010. More information to come. Also, we have a date already for the 2011 East coast All Seabee Reunion. It will be 25-27 February in Hampton, VA, so make plans now for a great mid-winter get away. This year, the women enjoyed themselves at the Quilt expo. The hotel ran a shuttle to and from the event. You ladies have to start attending these reunions. It's not all men stuff. There is plenty for you gals to do. The ones who attend get along together and have a very nice time, and look forward to meeting again the following year. Spring will be here in a week or so and soon time to summerize the snow blowers and tune up the power mowers and in no time we will be bitching about having to mow the lawn. Myself, i'd rather mow than blow. I hate winter.

MEMBERSHIP

Guys, our association membership has really taken a hit in the last few years. We have lost well over 100 members. If any of you know anyone who has left their membership lapse, please try to coax them into joining again. We appreciate all of our members, but wouldn't it be great if we could ALL get together at a reunion? Our dues year runs from January, 1st to December, 31st of each year. A membership application is in your newsletter.

WEBSITE, NEWSLETTER, AND SMALL TALK

As I have said before, Billy Millican is our new president as well as our web master. He will post anything of interest that you send him. The newsletter and web site are the only link we have with each other. I know we are all old farts now, but we can still talk and write. E-mail is a pain in the ass, but it is a good way to keep in touch. What have you guys been do'in since Vietnam? OK, i'll start. I am a retired carpenter, I have been in construction over forty years. I have been married to my wife Sylvia for 47 years. Since retiring, we enjoy traveling and cruising in our antique 1950 chevy pick up. I also like to hunt, fish, and tinker with my 50 pick up and my other old vchicles. We live in south central Pennsylvania just east of the capitol city of Harrisburg. Sylvia enjoys needle work and cooking. That's it for me. Maybe next time a PA dutch recipe, maybe shoofly cake?

Have a great spring everyone!!!
